Find 2 more words about the past.

Grammar Note

The simple past tense shows that you are talking about something that happened.
I worked here in 2009.
I was happy to see him.
They were a good team.

For irregular verbs, you need to check the table or Google.
I read this book last month.
She bought me a cup of coffee.

Past simple – verb 'to be'
I was, You were, she/he/it - was, They were, We were

We can use the past simple of the verb to be to talk about situations and states in the past.

I was at the office yesterday.
They were happy with the project.

4. Fill in the table with the missing sentences.

+	-	?
